

INTRODUCTION

Faith comes by hearing the Word of God, according to Romans 10:17, Acts 15:7, John 17:20 and 5:24. And faith is how we receive anything from God, according to Heb. 4:2, Eph. 1:19, I Thes. 2:13, Matt. 9:29, and Mark 9:23. So, for example, if you want to develop faith to receive healing, you need to hear healing verses. The more you hear them, the more your faith will grow, and the sooner you will receive your healing. It works the same way for anything God has promised in His Word. Your faith gets them.

This brochure is to help you develop faith to trust God ~ in whatever situations you find yourself. Read these verses out-loud, and often. Rom. 10:17 says that faith comes by hearing (audibly with your ears) and not by hearing them only once or twice. The more you do, the faster you'll be able to trust God.

These verses are taken from the NIV and NKJ translations of the Bible, unless noted otherwise. The word *Jehovah* is put in every place where LORD was written. That's one translation; *Yahweh* is the other.
